A Vitamin A Complex for our modern world*

Our proprietary formulation of vitamins, herbs, enzymes, and minerals has been re-designed to promote effective immune support for optimal immune function.*

- **Nutritional Ingredients.** Included in this formula are Vitamin A, Vitamin C, Zinc, and Copper. These antioxidants along with L-lysine HCl and the herbs Astragalus, Echinacea, Elderberry, Goldenseal, Milk Thistle, Pau d'Arco, Reishi, Lion's Mane, Cordyceps, and Quercetin are known to be supportive of a healthy immune system.*
- **Enzyme Blend.** Proteolytic and lipolytic enzymes as well as the polysaccharolytic enzymes phytase, alpha-galactosidase, glucoamylase, pectinase, cellulase, and hemicellulase are included in this formula for improved delivery of the vitamins, minerals, and herbs as well as for additional immune system support.*
- **Did You Know?** This product works best in combination with a protease formula such as Protease IFC.

Health Benefits: Transformation's Professional Protocol™ Immune AV: a Vitamin A Complex is an herbal supplement with vitamins and minerals specifically chosen to support a healthy immune system plus enzymes for improved delivery.*

RECOMMENDED USAGE:

Take one (1) capsule daily with food or as directed by a health care practitioner.

Available in bottles of 60 capsules.
