Immune AV: a Vitamin A Complex*

This proprietary formulation of vitamins, herbs, enzymes, and minerals is designed to provide effective immune support.*

- **Nutritional Ingredients.** Included in this formula are Vitamin A, Vitamin C, Zinc, Selenium, and Copper. These antioxidants along with L-lysine HCl and the herbs Astragalus, Licorice, and Pau d'Arco are known to be supportive of a healthy immune system.*
- **Enzyme Blend.** Proteolytic enzymes as well as the polysaccharolytic enzymes phytase, alpha-galactosidase, glucoamylase, pectinase, cellulase, and hemicellulase are included in this formula for improved delivery of the vitamins, minerals, and herbs as well as for additional immune system support.*
- **Did You Know?** This product works best in combination with the glandular and herbal ingredients in Protease IM for additional immune system support.*

Health Benefits: Transformation's Professional Protocol™ Immune AV: a Vitamin A Complex is an herbal supplement with vitamins and minerals specifically chosen to support a healthy immune system plus enzymes for improved delivery.*
