SUPPLEMENT FACTS

Serving Size: 1 Capsule Servings per container: 60

Amount Per Serving % Daily Value

Vitamin A (100% as beta carotene)	10,890 IU	218%
Vitamin C	18 mg	30%
Vitamin E (from soy)	53 IU	177%
Zinc	3.5 mg	23%
Selenium	20 mcg	29%

Tzyme™ AntiOx Blend	350 mg	*
<i>(Beta carotene/ mixed carotenoids, Vitamin E succinate, SOD, Grape seed extract, Magnesium ascorbate, Tumeric powder (root), L-glutathione, Lipoic acid, Zinc citrate, Citrus bioflavonoids, Quercitin, Rose hips, Hesperidin, Catalase, Rutin, Selenium citrate, Asian Ginseng root, Eleuthero (root), CoQ10, Ginkgo biloba leaf, Green tea extract, Flaxseed, Ginkgo biloba leaf extract, Lutein, Lycopenes)</i>		
Tzyme™ Protease Blend	142 mg	*
<i>(Acid, neutral, alkaline exo/endo peptidases, Bromelain, and Papain) (50,000 HUT) (981,600 PU) (13.33 SAPU)</i>		
Tzyme™ Polysaccharolytic Blend	60 mg	*
<i>(Amylase, Glucoamylase, Alpha galactosidase, Malt diastase, Invertase, Lactase, Lysozyme)</i>		
Lipase	50 LU	*

* Daily Value not established

Other ingredients: Vegetarian Capsule (cellulose & water)

A powerful blend of antioxidants and enzymes

Transformation's Professional Protocol Antioxidant

is designed to support the health of the cell by supporting the control of free radicals in the body. Doctors are using TPP Antioxidant for:

- Oxidative stress
- Exposure to environmental toxins
- Premature aging
- Improvement of cellular vitality

When oxidized, molecules lose their functionality and create a free radical "domino effect" in the system. Most metabolic disorders, degenerative diseases and even cancers have at least some root in excessive free radical damage of cells and vital membranes. Transformation's antioxidant blend is coupled with protease for free radical removal.

RECOMMENDED DOSAGE:

Take one (1) capsule three to four times daily with food or between meals. Dosage may be increased according to individual needs as directed by health care practitioner.

Available in bottles of 60 capsules.

NO FILLERS/NON-ALLERGENIC
