

# MASTERZYME

Transformation's glandular  
support for the entire  
endocrine system

This formulation of enzymes, herbs, and glandulars supports the entire endocrine system. More often than not, when one area of the endocrine system is challenged, the other glands are also affected. This formula provides nutritional support for the adrenal, pituitary, and thyroid glands as well as the reproductive system.

## Product Highlights

- Enzymes for enhanced utilization of ingredients
- Natural source of antioxidants and Vitamin C
- Herbs for supporting hormone function
- Glandular Therapy strengthens, tonifies, and nourishes the endocrine system
- Non vegetarian formula in a gelatin capsule

## Clinical Applications

- Irregular menses
- Infertility
- Menopausal symptoms
- Low energy, lethargy
- Low glucose levels
- Adrenal or thyroid insufficiency

*In general, herbal formulas are not recommended during pregnancy and lactation or for children 12 years or younger. Each case should be assessed on an individual basis and the practitioner, along with the patient, may use their professional judgment and decide to use it.*

## For Your Information

- “Feeds and fortifies” the endocrine glands but is not supplying actual hormones (not a Rx)
- Do not take at bedtime, as it may hinder sleep
- May be taken with Thyroid Complex or Adrenal Complex for extra endocrine support
- May also be taken with prescription thyroid medications (monitor hormone levels closely)

## Dosage

- Maintenance: 2 capsules daily with food
- Therapeutic: 2 capsules 3 x day with food
- For infertility, the male and female both need to be on enzymes and glandular support

**⚠ WARNING:** Lead - Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

*This product has been identified as containing naturally-occurring lead that exceeds California Proposition 65 lead levels when dosing more than one capsule per day.*
