OTHER INGREDIENTS: DELAYED RELEASE CAPSULE (HYPROMELLOSE, WATER, GELLAN GUM)

DRcaps™ Delayed Release Capsules by Capsugel provide better delivery of nutritional ingredients that are acid sensitive. DRcaps™ are the alternative to enteric coating which may utilize plasticizers, additives, chemicals, and/or solvents. DRcaps™ are made with an innovative hypromellose (HPMC) formulation. These capsules are Vegetarian society certified, Kosher certified, and vegan approved.

PreforPro® is a registered trademark of Deerland Enzymes, Inc.

DRcaps™ is a trademark of Capsugel.

RECOMMENDED USAGE:

One (1) capsule upon rising or at bedtime with at least 8 oz. of water or as directed by a health care practitioner. Contents may be removed from capsule and taken by spoon immediately after mixing with a small amount of tepid water.

REFRIGERATION NOT REQUIRED BUT RECOMMENDED FOR OPTIMUM ACTIVITY

Available in bottles of 30 capsules.

Supports the growth of normal beneficial bacteria in the gut*

Probiotics are living microorganisms which, when taken in adequate amounts, provide health benefits.* For example, maintaining a friendly environment in the gut supports the optimal absorption of nutrients.* However, to be considered beneficial, these “good” bacteria must maintain a delicate balance in the gastrointestinal tract.

• PreforPro® Prebiotic

- Effective in small servings within hours (not days)
- Functions in both the small and large intestines
- Does not cause flatulence
- Does not require refrigeration (but recommended for optimum activity)
- Shelf life of 18 months

• Probiotic Blend

- The PreforPro® prebiotic promotes the growth of our probiotic blend of *Bacillus subtilis*, *Lactobacillus acidophilus*, *Lactobacillus casei*, and *Lactobacillus plantarum*
- These strains support the normal proliferation of beneficial bacteria*

Health Benefits: Transformation’s Professional Protocol™ Transbiotic™ was formulated with an innovative prebiotic developed to support the growth of healthy bacteria in the gut through a method that is not fiber or starch-based.*
