Natural, nutritional solution for occasional GI discomfort*

Our diet as well as modern lifestyle habits are often responsible for an increased need for digestive support. In addition to the failure to obtain complete nutrition, a poor diet combined with occasional stress also puts additional demands on the mucosal lining of the gastrointestinal tract. This formula is designed to support the mucosal lining, promote epithelial cell vitality in the gut, and encourage peristaltic movement.* Use this product as a digestive aid to provide additional support for relief of occasional heartburn, occasional indigestion, upset stomach, occasional diarrhea, and/or digestive discomfort.*

- **Digestive Enzymes.** Gastro helps alleviate symptoms of gas such as bloating, pressure, fullness, and stuffed feeling.* Includes an extensive polysaccharolytic enzyme blend to encourage more complete digestion of complex carbohydrates, protease to support protein digestion, and lipase for fat digestion.*
- **Herbal Ingredients.** This support formula has ten different herbs known for their ability to promote digestion.*
- **Antioxidants.** This comprehensive formula contains the antioxidant beta carotene and includes an AntiOx™ blend with Dunaliella, Flax seed, Alpha-lipoic acid, Eleuthero, and Ginseng.*

Health Benefits: Transformation's Professional Protocol™ Gastro is an enzyme supplement with herbs to alleviate occasional GI discomfort and promote digestive function.*
