† Daily Value not established

OTHER INGREDIENTS: VEGETABLE CAPSULE
(HYPROMELLOSE, WATER)

Contains soy. May contain traces of fish or shellfish, due to bladderwrack algae being a natural aquatic product.

RECOMMENDED USAGE:

Take one (1) capsule after meal or between meals with 8 oz. of water or as directed by a health care practitioner. One (1) capsule may be taken with meals to enhance the digestion of fats.*

Available in bottles of 60 capsules.

Helps maintain normal blood lipids and digestion of fats*

Our modern diet is increasingly defined by high-fat, high-cholesterol foods. In addition to making smart choices of what we eat, supplemental enzymes can help support a healthy digestive system to encourage more complete digestion of fats and lipids.* Use this product along with a healthy diet and lifestyle to support weight management efforts and to help maintain cholesterol and triglyceride levels that are already within the normal range.*

- **Chromium and Herbs.** This formula includes Chromium polynicotinate and Guggulipids extract as well as other herbs known known for their ability to support healthy digestion.*
- **Digestive Enzymes.** The lipolytic enzymes known as lipase support the digestion of fats.* This formula also includes polysaccharolytic enzymes and a protease enzyme blend.
- **Antioxidant Support.** This formula contains the antioxidant Vitamin E and includes an effective antioxidant blend to help combat free radial damage associated with high-fat foods.*

Health Benefits: Transformation's Professional Protocol™ Lypo is an enzyme supplement with herbs and vitamins designed to support blood lipids and blood sugars already within the normal range which helps promote cardiovascular health as well as healthy skin.*
